

Maintain your distance

Always stay **1.5m** apart from each other:

We can't fight this virus alone. We are enforcing social distancing requirements. Stay at least 1.5m away from others at all times to curb potential virus transmission and keep your community, family and you safe.

Stay home and get tested if your experiencing any of the following symptoms:

- Fever
- Sore throat or runny nose
- Chills or sweats
- Cough
- Loss of breath or difficulty breathing
- Lost of taste or sense of smell
- Vomiting or diarrhea
